Person within CITB supporting this application process

### Fair processing notice

The information provided to the Construction Industry Training Board (CITB) in this form will be used for your participation in the National Skills Academy for Construction (NSAfC) and for purposes connected with our role as an Industrial Training Board in accordance with the Industrial Training Act 1982.

Your data will be held securely and treated confidentially and will not be disclosed to external parties other than as required for the purposes described above.

Case studies and photographs will require your consent before they are published.

For information explaining your legal rights and how we use your information, please view the CITB privacy notice online at [www.ctb.co.uk/privacy](http://www.ctb.co.uk/privacy).

## Section 1: Overview of project(s)

---

**1a.** Please provide the detail of the project, and the significance of the project to the locality and the sector.

**1b.** Document the added value it is envisaged National Skills Academy for Construction status will offer.

**1c.** Detail the relationship with the client. Confirm whether there are any client or contractual requirements relating to employment and skills. If there are, please provide details of type and number.

**1d.** Detail who will support delivery of the NSAfC from within the project and external organisations.

**1e.** If you have been previously supported by the NSAfC, please outline your performance and the transferable learning which will be brought to this project.

*Please limit your response for this Section to 750 words*

## Section 2: Legacy planning

**2a.** Please detail how the NSAfC approach will be embedded within your company following the end of this project.

**2b.** Please include how you will support individuals as necessary beyond the life of this project (E.g. Apprentices, Upskilled workers etc.)
