

Qualification Title: **Level 2 NVQ Diploma in Super-structure Work Occupations (Construction)**

Pathway 1: Level 2 NVQ Diploma in Superstructure Work Occupations (Structural Repair – Reinforcement)

Pathway 2: Level 2 NVQ Diploma in Superstructure Work Occupations (Structural Repair – Replacement)

Pathway 3: Level 2 NVQ Diploma in Superstructure Work Occupations (Fibre Reinforced Polymer Structural Strengthening)

Value for TQT (pathway 1): 420

Value for TQT (pathway 2): 430

Value for TQT (pathway 3): 680

**CITB unit ref for internal use only*

Mandatory units for all pathways

*CITB unit ref	Title	Level
360v3	Installing, maintaining and removing work area protection and safety equipment in the workplace	2
641	Conforming to general health, safety and welfare in the workplace	1
642	Conforming to productive working practices in the workplace	2
643	Moving, handling and storing resources in the workplace	2

Mandatory units for pathway 1 (Structural Repair – Reinforcement)

*CITB unit ref	Title	Level
250	Erecting and dismantling access/working platforms in the workplace	2
484	Repairing masonry by reinforcement methods in the workplace	2

Mandatory units for pathway 2 (Structural Repair – Replacement)

*CITB unit ref	Title	Level
250	Erecting and dismantling access/working platforms in the workplace	2
485	Repairing masonry by replacement methods in the workplace	2

Additional units for Structural Repair – Replacement (not compulsory)

*CITB unit ref	Title	Level
444v3	Preparing structures for treatment in the workplace	2
447v3	Installing wall ties in existing structures in the workplace	2

**Mandatory units for pathway 3
Occupations (Fibre Reinforced Polymer
Structural Strengthening)**

*CITB unit ref	Title	Level
400v2	Preparing and operating powered units, tools or pedestrian plant, machinery or equipment in the workplace	2
544	Preparing to install fibre reinforced polymers in the workplace	2
545	Installing fibre reinforced polymers in the workplace	2

Unit endorsements for Level 2 NVQ Diploma in Super-structure Work Occupations (Construction)

*CITB unit ref	Endorsement
250	The following endorsement required (i.e. own area of work): Structural repair Plus two or more of the following endorsements required: Ladders/crawler boards Step ladders/platform steps Proprietary towers Trestle platforms Mobile scaffold towers Proprietary staging/podiums
360	One of the following endorsements required (i.e. own area of work): Structural repair Fibre reinforced polymer structural strengthening
400	One of the following endorsements required: Generators Pumps Pedestrian operated plant or machines Mixers Compressors Self-powered tools
444	One of the following endorsements required: Wood preservation Damp-proofing Wall tie replacement
447	At least two of the following endorsements required: Driven systems Grouted Systems Resin Systems Mechanical systems
544	One of the following endorsements required: Concrete structures Metallic structures
545	One of the following endorsements required: Plate Wrap

Note: Where industry requests an Awarding Organisation to further endorse a unit, the Awarding Organisation must first seek approval from CITB (standards.qualifications@citb.co.uk) to ensure the endorsement is appropriate to the unit.
