CITB Product

CITB owns Health, safety & environment (HS&E) tests which are designed to ensure workers in the construction industry have a minimum level of health, safety and environmental awareness before going onto a construction site.

Centre approval/recognition is as an independent Internet Test Centre (ITC) to deliver HS&E tests using the facilities, and meeting the requirements, defined and detailed within this Agreement. CITB approval/recognition confirms the Centre and its premises used for testing, including the Test Room itself has met the requirements to deliver the HS&E tests.
